- The College has put together a list of courses to choose from. If you are unsure of which courses would be useful for your professional, personal, or educational goals please schedule an appointment with your Graduate Concentration Exploration Faculty Advisors for a personal consultation.
- During your first semester in the program a copy of the Concentration Elective Approval form must be submitted, by the deadlines found in your GSH, via email to your Graduate Advisor or you may drop a copy off in SGMH4210.
 - *When you make any changes to your electives simply choose alternatives from the list below. You are **not required** to resubmit a new form as long as the elective courses are included in this list.*
- Concentration courses are offered less frequently than required courses. Picking your concentration elective courses within the first semester provides you with the opportunity to enroll in the courses as they are offered.
- It is your responsibility to check the prerequisites when selecting your concentration elective courses. You are responsible for completing any prerequisite coursework prior to enrolling in a course.

Elective Requirements

The concentration consists of 18 units or six electives from the courses listed below. **No more than two courses may be at the 400 level.** No course numbered below 400 may be used.

- **Consult with the Faculty Advisor when choosing electives**
- **Courses and course descriptions can be found in the University Catalog:**
