

# INSURANCE INDUSTRY CAREER ADVISEMENT

## **Bridging Education to Industry Bridging Students to Success**

Past President of The Society of Chartered Property and Casualty Underwriters, a community of credentialed property and casualty insurance professionals who promote excellence through ethical behavior and continuing education, Leah Young is available for academic and career counseling in the insurance industry.

Leah brings insight into passing rigorous undergraduate- and graduate-level exams, meeting an experience requirement, and professional ethics.

Leah is available for one on one or group advisement to students and professors throughout the academic year. Contact the Center for Insurance Studies to make an appointment.

Leah Young, CPCU, AMIM, ARe  
Education and Candidate Development
