Northwestern Mutual – Irvine : Financial Representative Internship

Financial Representative Intern
Northwestern Mutual's internship program has been named a Top 10 Internship in the nation for the last 21 consecutive years. We are looking to meet students with an entrepreneurial spirit, who want real-world business experience and value making an impact on others' lives. Our internship has been highly rated due to our development and mentorship program, opportunity for career growth, and hands-on learning in a flexible, professional environment. Our program highlights include:

- Practical guidance in your career selection process.
- The chance to develop networking and business relationship skills with the help of mentors.
- Flexible work schedule.
- State licenses for life, accident and health insurance, as well as the opportunity to earn investment securities licenses, paid for by Northwestern Mutual.
- Compensation in the same manner as a full-time financial representative.
- Opportunity to work directly with clients and “test drive” a career as a financial representative.

One out of five former interns becomes a full-time representative following graduation. Our internship will give you a solid foundation of business-building skills and knowledge for immediate and future career success. The confidence you develop, coupled with insight you have gained as a financial representative intern, can put you on the path toward a profitable and fulfilling future.

Opportunity – A Top 10 Internship Program
Financial Representative (FR) interns with Northwestern Mutual offer a personalized approach to uncovering financial solutions tailored to each client's individual needs.

FR interns have the same opportunities to build their careers as full-time advisors. Supported by our network of specialists, training programs and mentoring, FR interns have access to the resources, products, and assistance they need to help their clients and build their practice.

Like full time financial advisors, FR interns strive to understand the goals of the client in order to uncover financial solutions that put them on a path to financial security. We provide tools, resources and training to help you discover and build your markets to develop a successful practice as a financial advisor intern.

Internship Requirements
- Must be pursuing an undergraduate or graduate degree
- Must have strong interpersonal skills, be self-motivated and have a history of personal success
- Must have self-discipline and share the same values as our office
- Must be able to dedicate 20 hrs/week during the semester and 40 hrs/week during the summer
- Green Card/Residency is required for this internship
