

Subject: CALCPA MASTERS & 5TH YEAR SCHOLARSHIPS

The CalCPA Accounting Education Committee is pleased to announce changes to our state-level scholarship program. The principal change will allow accounting faculty from each school to nominate outstanding Master of Accountancy or Master of Taxation students for consideration, regardless of whether the student has previously received a CalCPA local chapter scholarship. With this new process we hope to open up our scholarship opportunities to a larger number of students and focus on those students pursuing graduate education.

Eligibility: Students must attend an accredited school in California and be enrolled in a graduate program in accounting or taxation in winter quarter or spring semester of 2011.

Application Process: Please nominate students from your graduate programs who are outstanding in academic achievement and who possess the qualities necessary to a successful career as an accounting professional. Please note that the application package must contain a letter of recommendation from an accounting faculty member nominating the students for consideration.

Please have your selected students complete our application and send it to the State Accounting Education Committee for consideration at:

CalCPA - Strategic Relations Division  
State Accounting Education Scholarship Program  
Attention: Patti Sustin  
330 North Brand Boulevard, Suite 710  
Glendale, CA 91203

We have enclosed one copy of the application and it can also be downloaded from our website at <http://www.calcpa.org/Content/Scholarship.aspx>.

The application must be postmarked no later than September 30, 2010. Applications will be considered during the fall and scholarships will be awarded late fall. Scholarship amounts will be between \$2,500 and \$5,000.

We appreciate your help in identifying and nominating your best student.
