REPORTED BASE SALARIES FOR UNDERGRADUATE STUDENTS

*Outcomes are reported according to National Association of Colleges and Employers (NACE) standards representing 84.7% of the 2021-2022 graduating class of 2,231 undergraduate students. Data is collected at graduation and 6 months post-graduation. Percentage shown excludes students with no information available.

COLLEGE OF Business and Economics

**Includes delay in job search, military, etc.

COLLEGE OF BUSINESS AND ECONOMICS CAREER SERVICES UNDERGRADUATE ANNUAL REPORT 2022-2023

Business Career Services helps prepare undergraduate business students to **transition from college to careers** by offering businessfocused resources to explore career options, implement an action plan to achieve job and internships goals, and develop relationships with the greater community. We do this through **ONE-ON-ONE CAREER ADVISING, WORKSHOPS** and **EMPLOYER ENGAGEMENT**.
