

Financial Representative Intern Job Description

Northwestern Mutual's Internship program was named a Top 10 Internship by Vault Guide to Internships in 2011 for the 15th consecutive year.

Job Description: Interns with The Waltos Group of Northwestern Mutual Financial Network have the same opportunities to build their careers as full-time representatives. Financial Representative Interns are in business for themselves – but they're not alone. Supported by our network of specialists, training programs and mentoring opportunities, interns have access to the resources, products and assistance they need to help their clients and build their practices.

Like Financial Representatives, interns strive to understand their clients' goals and visions in order to uncover financial solutions that put them on a path to success.

Opportunity: The Waltos Group of Northwestern Mutual Financial Network provides tools, resources, and training to help you discover and build your markets to develop a successful practice as a Financial Representative Intern. At Northwestern Mutual we believe training is a process, not an event. Can you envision a life of real world compensation, freedom and calling your own shots? Many college students cannot. The Northwestern Mutual Financial Network internship is a valuable opportunity for students to combine classroom learning with a real-life look into what they could truly make of themselves.

Preferred Qualifications: To be considered for the position at The Waltos Group of Northwestern Mutual Financial Network, you must be a full-time student at a four year institution. You must have strong interpersonal skills, be self-motivated and have a history of personal success.
