FRP COMMITMENT

Foundation Risk Partners is dedicated to providing a learning and development internship program that will provide a meaningful professional experience in which you will be actively engaged across multiple divisions within the P&C industry and our organization. The program will provide assistance in determining where your interests, abilities, skills, aspirations, and professional goals are or may be aligned. During your time with us you will be involved with completing various tasks and responsibilities. Our commitment to you:

♦ An “intern first” approach to enrich and provide you a valuable internship program experience.
♦ Educate you on FRP’s internal structure and day to day insurance broker operations.
♦ Provide professional internal resources to achieve mutual internship objectives and goals.
♦ Assign mentors with years of industry experience that will provide insight and professional knowledge to assist with completion of tasks and responsibilities as well as guidance and support throughout the program including:
  ♦ Frequent communication regarding questions as to the who, what, where and why of our internal company workflows and tasks.
  ♦ Working with you throughout your internship responsibilities.
  ♦ Provide professional suggestions and recommendations on your development throughout program
  ♦ Involvement with insurance carrier meeting and functions after business hours.

INTERN COMMITMENT

To learn and develop your professional skills in the areas of commercial property & casualty insurance, risk management, employee benefits, insurance carrier & wholesale broker operations. Strong organizational skills with ability to work on multiple projects. Proficient with Microsoft word and excel. Successful completion of defined internship objectives throughout the program including an understanding of Foundation Risk Partners services, internal departments and divisions within the company including the following:

♦ Marketing & Risk management services for insureds as well as identified prospects
♦ Special Project assignments throughout the program
♦ FRP Learning Foundation Courses
♦ Engaging with insurance industry partners
♦ Competing in a sales driven project; allowing you to experience and immerse yourself through a typical middle market property & casualty “sales cycle”
♦ Willingness to learn and completion of internship curriculum and group projects
♦ Consistent and punctual submissions with individual and group work assignments to mentor(s) and department leaders
♦ Actively engaged in the office, insurance carrier meetings, events, participation with mentor(s) regarding interactions with insureds and company underwriters
♦ Develop and maintain throughout program professional relationships with company employees, insurance carriers, insureds, and prospects
♦ Provide assistance regarding various administrative or service-related responsibilities
♦ Maintains accountability for his/her actions and activities, both personally and professionally
♦ Actively participates in insurance industry lectures/presentations providing insights to multiple avenues for success within the insurance industry
♦ Adheres to company policies, procedures and rules governing professional staff behavior and abides by company policies governing the observation of confidentiality and the handling of confidential information
♦ Responsible for defined professional goals and activities
♦ Apply professional knowledge acquired through FRP Learning Foundation platform and other classroom programs
♦ Consistent and punctual in the submission of all work-related assignments
♦ Complete weekly activity reports and other forms required as learning tools
