Log into your portal and click on the tab “Student Training”

The Center is your on-line resource to get involved in workshops and events at Cal State Fullerton. Go to center to view a monthly schedule of workshops and activities offered. Use the search feature to look up specific workshops or events by name or by programs (i.e., Student Leadership Institute, Women’s Center, Volunteer and Service Center, Academic Integrity, etc.). Student Leadership Institute (SLI):

http://www.fullerton.edu/deanofstudents/sli/certificate_programs.htm

The SLI offers certificate tracks that consist of a series of required and elective workshops and an Experiential Component. Most of the workshops are 90 minutes long, with a few lasting 60 or 120 minutes. Most students find that they get more out of tracks that they have a particular interest for or that relate to their major or future career interests. Students completing a track will be awarded a certificate and recognized at the SLI annual recognition ceremony. Many students also choose to complete more than one track.
