

Good Afternoon,

My name is Cham Nou, an intern with Project Ethos, and we are currently hiring interns studying in the areas of Communications, Marketing, Fashion Merchandising & Design, and Art. We ask that you please forward this information onto your students within 48 hours as time is scarce leading up to our March 19th show. We do offer school credit and an opportunity to gain a wealth of experience and knowledge working alongside LA's top trendsetters.

Project Ethos produces red carpet events in Hollywood that showcase emerging talent in fashion, music and art all under one roof on one night. We have featured over 90 designers, 100 artists and 40 music acts in 4 years. Our goal is to expose the younger generation by giving them a place to display their work professionally on the runway, stage and in an art gallery.

Our interns will be collaborating with designers and artists featured in our events to help them gain press exposure, sales and branding to local media and buyers. This is an amazing chance for students to network, develop valuable real world skills and get a better understanding of what the marketplace is like. Interns must be 18 years and older with the availability to meet once a week for 2 hours on a Friday from 12-2pm in the Los Angeles county area and dedicate 10-12 additional hours outside work per week as well. If hired, the duration of the internship will conclude at the end of June.

For those students who may be interested can email a resume **ONLY** within the body of the email and a photo of themselves to [info@projectethos.com](mailto:info@projectethos.com) within 48 hours. We thank you in advance for your participation. Also, please find the attached electronic flyer of our 2010 internship opportunity. For more information regarding Project Ethos, please visit us at [www.projectethos.com](http://www.projectethos.com), or contact us at [info@projectethos.com](mailto:info@projectethos.com).
