PREREQUISITE INFORMATION SHEET 2010-2011

Most business and economics courses have prerequisites and/or corequisites. Before you register, make sure you meet all course requirements. You may be administratively dropped if you don't!

Most upper-division courses in the Mihaylo College of Business and Economics are restricted and not open to pre-business, pre-international, pre-economics, or undeclared students. If you are still "pre", then it is important that you focus on the lower-division core requirements. **Once you have completed all of the lower-division core courses with grades of "C" (2.0) or better, then you may declare your concentration through the Business Advising Center at either the Fullerton or Irvine Campus.**
