Application Procedures

Admission to the program is competitive and based on the holistic assessment of each candidate’s academic, personal and professional background. When evaluating applications, the Admissions Committee considers the departmental graduate admissions criteria, while adhering to standards and policies set by the University. Please note that admissions can be closed at any date once capacity is reached.

Application Deadline
Filing Begins: October 1
Application Deadline: April 1

Please note:

*FEMBA admission is only offered during the Fall semesters.*

For full consideration, all forms and supporting documents must be submitted by their respective deadlines.

FEMBA Graduate Program Fees

Total Program: 45 Units/15 Courses

Graduate Program Fees: Tuition for Fullerton FEMBA at Irvine Program is $2100 per class. Students complete two classes per semester during the Fall, Spring and Summer term. *These fees reflect current fall and spring semester costs, excluding books and are subject to change.* For updated information please visit: http://business.fullerton.edu/graduateprograms/costs/index.htm.

Michael A. Reagan Scholarship: The Reagan Scholarship is available to newly enrolled graduate students at Mihaylo College. This is a merit based scholarship designated for students with a superior academic record and is a one-time award of $8,000 disbursed in two installments over consecutive semesters. Students entering in both the fall and spring semesters may qualify for this scholarship. Fall deadline: April 1 and Spring deadline: October 15.

Other Scholarships and Financial Aid: Mihaylo College and the University also have a wide range of scholarships and financial aid available for graduate students. We strongly encourage all students to complete the FAFSA by March 2 each year. For the most recent information please visit www.fullerton.edu/financialaid.

Pre-requisite Coursework

The following coursework must be completed before you begin the FEMBA Program at Irvine:

- Business Calculus | Math 130 or 135 at CSUF (3 units)
- Upper Division Statistics | ISDS 361A or 513 at CSUF (3 units)
- Or enroll in the Graduate Programs Quantitative Preparatory Course, offered each fall
- To check for equivalent courses for Calculus or Software Applications visit www.assist.org. All courses are also available through CSUF Extended Education at www.csufextension.org.
