Business Career Services: Spring 2022 Undergraduate Events

**Ins and Outs of Internships**
Tuesday, February 1st, at 5:30pm, Virtual

Thinking about getting an internship before you graduate? Internships have many benefits, including test-driving a career, gaining knowledge in the industry, and giving you an edge in a competitive job market! Come to this workshop to learn when to start searching, the best websites to use, and get some tips on securing an internship. We will also talk about the practicum requirement and how it can be fulfilled through an academic internship.

**CPT, H1B, and Everything In Between**
Wednesday, February 9th, at 5:30pm, Virtual

Are you an international student wanting to learn the many ways you can get sponsorship in the US? Then this workshop is an absolute must for you! An immigration attorney will speak about the multiple options for international students to work in the US.

**Creating and Refining Your Resume**
Thursday, February 10th, at 2:30pm, Virtual

Come learn how to take your resume skills to the next level and stand out when applying! In this workshop we will review resume formatting, sections to include on your resume, and how to build strong bullet points. We will also cover how to tailor your resume and leverage your skills to increase your chances of getting an interview.

**Public Accounting Panel**
Thursday, February 10th, at 5:30pm, Virtual

Join EY, KPMG, PwC, and RSM for this panel geared toward freshman and sophomore students. Learn about ways to engage with the public accounting firms early on as well as the various programs open to you!

**Navigating the Job Search**
Tuesday, February 15th, at 10:00am, Virtual

Learn what it takes to secure employment during today’s competitive labor market. This workshop provides an overview of key steps in the job search process, including search myths, a discussion of various search methods, essential job and internship search tools, and how to make the process more manageable!

**Ins and Outs of Internships**
Wednesday, February 16th, at 2:30pm, Virtual

Thinking about getting an internship before you graduate? Internships have many benefits, including test-driving a career, gaining knowledge in the industry, and giving you an edge in a competitive job market! Come to this workshop to learn when to start searching, the best websites to use, and get some tips on securing an internship. We will also talk about the practicum requirement and how it can be fulfilled through an academic internship.

**ECS Career Fair (In-Person Fair)**
Tuesday, February 22nd, from 3:00pm-6:00pm, TSU

This career fair is a great opportunity to talk to Employers in the Engineering & Computer Science field, step-up your job or internship search, and meet employers who will be available to network with you and answer your questions.

**Make the Most of Your LinkedIn**
Wednesday, February 23rd, at 4:00pm, Virtual

A professionally written LinkedIn profile can help open doors to opportunities and networks. In addition to learning how to create a star profile, we will discuss how to find new internships/jobs through LinkedIn, grow your network, and how to navigate additional features on LinkedIn.
