2019 CLA Summer Experience Program

June 27 & June 28 | Glendora/Ontario

Our Summer Experience Program is an opportunity for you to learn what it looks like to work with CLA.

If selected, you will attend a full-day event in June 2019 where you’ll meet CLA professionals who work in a variety of services and industries. You'll learn about our focus on privately held companies and their owners, the benefits of industry specialization, and how we create opportunities for our clients and our people.

The day will include multiple informative sessions, as well as lunch and a social hour with CLA professionals. You’ll also attend a Q&A panel with current employees at various career stages, where you can ask any questions you have regarding our firm, career paths, CPA exams, and more.

Who should attend
This session is designed for accounting students graduating in May 2020 or later.

All applicants must be:
• Working towards a bachelor’s or master’s degree in accounting/finance (on the 150 credit hour track)
• U.S. citizen or permanent resident

Please apply by May 15, 2019:
