LAUNCH YOUR CAREER

Beyond the Classroom

Our Internship Program is designed to provide a meaningful professional experience in which you will be engaged with multiple departments within our company. The program will provide assistance in determining your interests, professional skills, aspirations, and goals are aligned. During your time you will be actively involved in departmental projects, responsibilities, collaborative group projects, team presentations and meetings with insurance carrier partners.

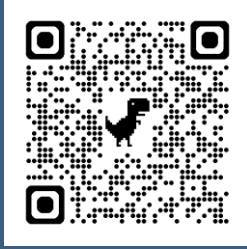

Behind the Scenes

The role of an insurance broker is supported by many internal services and disciplines. Our internship program will allow you to experience these services through sales, account management, marketing, loss control, and risk management services provided to insureds across the company platform.

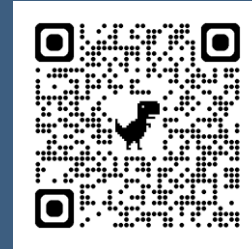

Qualified Candidates

- ◆ Shadow our seasoned leaders
- ◆ Attend in-house lectures and seminars
- ◆ Learn account management processes
- ◆ Conduct risk management analysis & assessments
- ◆ Assist in the renewal process
- ◆ Assist in marketing accounts.
- ◆ Gain valuable insight to business development strategies
